**Submission of a "Natural Lawn Management Plan"**

*A natural lawn management plan shall mean a written plan relating to the management and maintenance of a lawn which contains a legal description of the lawn upon which the planted grass will exceed eight (8) inches in length, a statement of intent and purpose for the lawn, a detailed description of the vegetational types, plants and plant succession involved, and the specific management and maintenance techniques to be employed.*

*Property owners who wish to plant a cultivate a natural lawn must submit their written plan and related information to the Village. Property owner shall be defined to include the legal title holder and/or the beneficial owner of any such lot according to most current Village records. Natural management lawns plans shall only indicate the planting and cultivating of natural lawns on property legally owned by the property owner. This shall include at a minimum property located between the sidewalk and the street or a strip not less than ten (10) feet adjacent to the street where there is no sidewalk, whether the area is under public or private ownership. In addition, natural lawn shall not be permitted within ten (10) feet of the abutting property owners' property unless waived in writing by the abutting property owner on the side so affected, such waiver to be affixed to the lawn management plan.*

*Any subsequent property owner who abuts an approved natural lawn may revoke the waiver, thereby requiring the owner of the natural lawn to remove the natural lawn that is located in the ten-foot section abutting the neighboring property owner. Such revocation shall be put in writing and presented to the Village Clerk-Treasurer by the subsequent abutting property owner.*

*The growth of brush and trees in public or private stormwater drainageways shall be prohibited within the Village corporate limits.*
